Declarations of Interest

*Under the Health and Social Care Act 2012, there is a legal obligation to manage conflicts of interest appropriately. **Where possible, any conflict of interest should be declared to the Chair of the meeting as soon as it is identified in advance of the meeting.** Where this is not possible, it is essential that at the beginning of the meeting a declaration is made if anyone has any conflict of interest to declare in relation to the business to be transacted at the meeting. An interest relevant to the business of the meeting should be declared whether or not the interest has previously been declared.*
