

finding the right health service

Someone ill or hurt?

Ring 999

1

If someone is seriously ill or hurt, ring **999** and ask for an **ambulance**.

2

Tell the person on the phone **where you are** - do you know the street name or postcode?

3

Wait with the person - tell them you have called an ambulance.

4

When the ambulance comes - **tell the staff what happened**.
